

SENIOR EXECUTIVES ASSOCIATION ORG CHART

Marcus Hill
President

SEA Board of Directors

The Board of Directors of the Senior Executives Association provides strategic leadership, governance, and oversight to advance the mission and long-term sustainability of the organization. Comprised of accomplished senior leaders from diverse professional backgrounds, the Board sets strategic direction, ensures sound financial and ethical stewardship, and works closely with executive leadership to support programs that enhance professional excellence, leadership development, and value for the Association's members.
